## Need a Tax Break? Consider a Charitable Trust

It's a double win: give to Animal Aid to help animals, enjoy a possible tax deduction NOW, and postpone your gift until later. A charitable trust is one of the deals in the tax code and well worth considering.

### Tales of Levi

Levi, a ten year old pittie mix, has quite the story!

Levi originally came to us late last year with a very large tumor on his left foot. X-rays showed that the tumor had grown into his bone and could not be removed, so the vet had to amputate Levi's entire leg. Tests confirmed that the tumor was benign and Levi was able to heal before moving to a foster home.

Part of his recovery involved a volunteer stint: his foster mom works in a local Tulsa school, and Levi was read to all morning long!

Along the way, Levi fought off ear infections, learned how to interact with people and pets of all species and ages, and had a near-run in with some ants (that's another story!)

Levi has now been adopted by a fantastic family and will live the rest of his days happy and loved.

Special thanks to our fosters who share their homes, give their love, and help provide critical transition assistance to our homeless dogs and cats!

### Fosters and Dog For A Day Volunteers Needed

Are you a dog or cat person with a little extra room? Our intakes recover their health and socialize much more readily in a home environment.

No space on the couch? Dog For A Day may be for you! Break a dog out of boarding and run errands to dog friendly places, run to the park, or just play a few hours in your backyard. It's up to you!

Interested? Apply on our website or give us a call.

# Thank You, Tulsa!!

Our Thrift Store recently held a 50% off sale alongside an on-site adoption event. We had a huge turnout for both shoppers and adopters: a fantastic \$1800 in sales—that's equal to a Black Friday! We also found new homes for two of our furry friends.

Thanks to all of our loyal and new customers, and to our Thrift Store staff, who make it possible to serve our mission day in and day out.

## Hint from Heather

Is your dog a fast eater? It can cause problems. Vets recommend special food bowls to foil frenzied feedings by making food harder to eat quickly.

Why not try a muffin tin? Our volunteer Heather Flynn says it works great!

*(BONUS TIP: our thrift store carries kitchen items!)*

## 2018 Edition T Shirts Coming Soon

We have ordered our 2018 T Shirts and they will be in stock at the thrift store soon! All sizes for all ages will be available.

Choose your style: paw print in chocolate brown, vintage front/back design on light blue, or the mint green “best breed in need” slogan tee. All are a classic unisex cut, in pre-shrunk cotton.

All funds will go directly back to Animal Aid.
