### We Are Finally Moving!

Animal Aid of Tulsa is pleased to announce that, thanks to the generosity of several benefactors, we purchased a new property on March 30, 2021. Our new address will be 6811 E 21st Street.

The building will allow for a spacious, open thrift store, and finally with enough parking for all of our wonderful customers! The lot behind the building is included in the sale, giving us a full acre for future expansion of a multi-use adoption center. In the meantime, we need some help to get the new store ready for shoppers. We are working hard right now to prepare the building, but are facing some pretty daunting estimates for the following projects, and we are asking our donor partners for help. No amount is too small.

We have been told again and again how much building materials have gone up the past few months. Wood, steel, even sheetrock has quadrupled. So we know the longer we wait, the more it will cost. And we simply have to safely open our store again and start making money to pay those enormous vet bills.

**Secure Fencing:** We have had non-stop issues with theft and vandalism for many years. We simply must secure and protect our new investment. The fence obviously has to be pleasing to look at in a retail location, and it has to keep criminals out and animals in. Estimates are coming in at around 50K for securely fencing the whole acre with a commercial grade fence.

**Parking Lot Repair/Resurface:** The parking lot is in pretty rough shape. We have several holes, and some spots where the asphalt has turned almost totally to gravel. Luckily, we have been told it can be patched and resurfaced instead of tearing out and replacing it, but even that is going to cost around 35K.

**Garage construction:** We need an enclosed space for our vehicle. We have a spot we can use, and the estimate for that enclosure is approximately 6K.

**Permanent Shipping Container:** We are going to use a shipping container for our donation intake area. It will sit directly behind the building. This container will need a door, a window, electricity, and heat and air installed to make it useable year around. The estimate for this is 10K, which is still much cheaper than an addition on the north side.

**Addition to the West Side of Store:** We need more space for our office, our beloved cat room, and a meet and greet area. We are having plans drawn up for this new space now, and hope to start the addition once we have gotten the remodel done and the store reopened. We are really hoping to keep the cost for this addition under 60K.

We are so grateful for our donors, shoppers, fosters, adopters, volunteers, followers, fellow rescuers, and the entire animal-loving community of Tulsa. You are the reason Animal Aid will continue rescuing Tulsa's homeless sick and injured animals for another 60 years. We thank you all for your unwavering support all of these years, and particularly during this past year. We are so excited about the future.

If you would like to contribute to our new building funds, please mail your check or money order to: Animal Aid of Tulsa, 3307 E. 15th Street, Tulsa OK. Contributions can also be made on our website, [animalaid.org/donate](http://animalaid.org/donate)

**ADOPT** - We currently do not host regularly scheduled adoption events, but can arrange meet and greet by appointment. Please visit our website [animalaid.org/adopt](http://animalaid.org/adopt) for available pets and complete an application. ## In Memory of Oliver, "Forever Baby"

We often wonder how our animals are doing after adoption and always love to hear from our past adopters. Sometimes, it is about their beloved pets passing away. Although it breaks our hearts to hear the news, we do cherish the memory they share with us.

*"11 years ago I met "Frank" at Animal Aid and fell in love. He was five years old when my partner and I adopted him and he really showed me the true meaning of love. At first he was timid and scared they said he had been wandering the street of north Tulsa. And the moment we took him home when he jumped on our couch we knew it was forever. We shared 10 happy years together and I wouldn't have made it without him. Last May*

*we had to say goodbye but he was the light of my life. I want to credit Animal Aid for being amazing and provided us with such a beautiful soul I have not been able to bring myself to find a new baby because Frank or Oliver as we called him is my forever baby.*

*Thank you Animal Aid."*

## Special Thanks

We want to give a huge thank you to Meredith Miller for choosing Animal Aid of Tulsa for the dollar challenge at her school! She bought all these goodies for our animals with the money she raised. We love nothing more than the younger generations doing positive things for the voiceless and making a difference. Way to go, Meredith!

Many thanks to those who donated through our Facebook page and Amazon Wishlist (we do not receive donor information from Facebook/Amazon so we cannot include your names on our donor list.
